### **Statement from the Board of Fire Commissioners and Chiefs Brentwood Fire District July 5, 2025**

The Board of Fire Commissioners and Chiefs of the Brentwood Fire District has been made aware of recent social media posts concerning the presence of individuals reported as being ICE agents at a Brentwood Fire District property.

The Brentwood Fire District, like all fire districts, does permit public agencies including law enforcement agencies to use our parking lots when necessary. However, we wish to clarify that we have no independent knowledge that ICE agents were present at any Brentwood Fire District Substation.

Furthermore, we were never contacted by any federal, state or local law enforcement agency or any other branch of government regarding the use of any parking lot at any fire district location.

The Brentwood Fire District is not a law enforcement agency. We are a fire rescue agency solely concerned with providing the very best emergency response to Brentwood residents in need of same.

The Brentwood Fire District is solely committed to serving the Brentwood community with transparency and respect for all Brentwood residents of any race, ethnic background or creed.
